

## Press Release

**As part of its continued growth, Orlando Family Physicians welcome Osceola community to its new location at 920 N John Young Pkwy, Kissimmee, Florida, 34741**

**Orlando, Florida October 17<sup>th</sup>, 2017. In order to continue adding value to Orlando community's health, this next October 19<sup>th</sup>, Orlando Family Physicians (OFP) will celebrate the opening of its new location in Kissimmee.**

This center is part of the expansion of OFP that along to the 13 other centers will provide the best healthcare in Central Florida.

Orlando Family Physicians has been a cornerstone in healthcare and wellness as the result of meeting and exceeding the needs of its patients in a cost-effective approach that is focused on personal attention, quality care, prevention and patient satisfaction.

Jorge L. Garcia, Orlando Family Physicians CEO highlighted that is very proud of the level of professionalism that every associate and medical staff have and it has been part of this success and growth. *“At Orlando Family Physicians, we have a commitment with our patients and our community. That’s why we search for the best locations and best facilities to open our state of the art Medical Centers. Our newest Medical Center will cater to all Osceola patients, offers over 12,500sq ft in two floors offering primary and specialty care, pharmacy, laboratory, diagnostic testing, activity center, a spacious reception area. First floor will provide family care with 6 primary doctors .The second floor offers a multi specialties area with: cardiology, nephrology and soon we will be adding podiatrist, ophthalmologist and gastroenterologist. Orlando Family Physicians is proud to be in the heart of Kissimmee and we look forward to continue providing Excellent Quality Care as the lead Medical Group in Central Florida”.* – emphasize the OFP’s main executive.

With this opening, Orlando Family Physicians adds another success to its expansion and growth as the best care in the area.
