

PRESS RELEASE

ORLANDO FAMILY PHYSICIANS CELEBRATES THE OPENING OF THEIR THIRD MEDICAL CENTER IN WEST ORLANDO

Continuing their growth strategy, Orlando Family Physicians welcomes their third medical office in the West Colonial area, and number 19 for the emerging group.

Orlando Florida, June 27, 2019. As part of their expansion and their mission to provide the best quality service closer to our communities, Orlando Family Physicians, OFP, hosted on June 27, 2019 the official opening ceremony of their newest office in West Orlando, with the exclusive participation of Brenda March, Children and Education Manager at City of Orlando and representatives from various health plans.

Orlando Family Physicians has served patients in the West Orlando area since the year 2000, when they opened their first location in the West Colonial area.

Orlando Family Physicians is the only medical group in Central Florida that has been awarded 5-Stars for their excellence in Quality Care and the practice of preventive medicine. The group has also been recognized by federal agencies for their excellent coordination of medical services under one roof.

OFP provides services designed to cover the medical needs of their patients without having to visit multiple places to complete their treatment.

“We are committed to make our practices comfortable and accessible to you and your family. We want you to rest assured that when you choose **Orlando Family Physicians** as your medical group, you will be treated respectfully by a team of experienced professionals, who are highly qualified and guarantee the information and resources you need to help you make the best decisions about your health and the care of your family” said Jorge Luis Garcia, President and CEO of Orlando Family Physicians.

The medical group is currently in 5 counties and guarantees exclusive services to their patients in the Golden Age:

30 minutes or less wait time

Appointments available in 24 hours or less

Besides those guarantees, OFP offers added services such as in-house labs, free breakfast, free unlimited transportation, in-house Cardiology, Nephrology and Gynecology specialists and many more benefits to promote the wellbeing of their patients

With this new opening, Orlando Family Physicians achieves one more success consolidating them as the best choice in your area.
